

# Ultra Exhaust Fan

*The World's Best Bench Exhaust Fan!*

For welding or large fume removal jobs, our 550 CFM unit blows it all away. The UL/CSA finger guards provide excellent protection for the operator and from debris. Fan may be adjusted to move air in either direction. Mounted on our 43" long Ultraflex® arms for dependability, strength and easy movement.

*This is the most robust, highest quality exhaust fan you can find on the market, bar none.*
